

Name: _____ Date: _____

Noun or Not a Noun?

Directions: A **noun** is a person, place, or thing. Ask an adult to write one word inside each of the apples below--make sure it's a mix of nouns and verbs! Then read the words and decide if each word is a noun or not a noun. If the word is a noun, color the apple **red**. If the word is not a noun, color the apple **green**.
